## Carrie Bogante appointed Director of Finance

I am pleased to welcome Ms. Carrie Bogante as Director of Finance for the *Centre intégré universitaire de santé et de services sociaux (CIUSSS) du Centre-Ouest-de-l'Île-de-Montréal*. Ms. Bogante will be an integral part of the management team for Montreal's new west-central healthcare region when we assume our new positions on April 1.

Ms. Bogante brings a wealth of experience to her new role. She is a chartered accountant with 25 years in the field. She spent the first 12 years working with healthcare clients at the accounting firm of Richter. She then joined the Donald Berman Maimonides Geriatric Centre and Jewish Eldercare Centre where she has been the Director of Finance for 13 years. She is also a fitness enthusiast and is active in community work.

Ms. Bogante left the private sector because she wanted to make a difference. She sees Bill 10 as a historic change, and welcomes this new challenge as an opportunity to develop the finest patient experience across the nine institutions that make up this new network.

Together with Ms. Bogante, the rest of the management team, and in partnership with all of the institutions in our network, I am eager to embark on this new era in health care. Our unity and cooperation are the keys to improving the patient experience, enhancing the continuum of care, and establishing greater efficiency in the delivery of healthcare services.
